

### Did'ja Know?

Some people born with disabilities can teach others. They can teach them things that they otherwise wouldn't have known!

Jesus cares about everybody. Whether you can see as sharply as your neighbor can or not, it doesn't matter. Jesus loves you!

### John 9

Jesus' friend, Philip, pointed to a blind man and asked, "Is that man blind because his parents did something bad? Or because he did something bad?"

Jesus shook his head. "Everyone believes bad things only happen to people because they deserve it, but it's not true. It's no one's fault that this man is blind. But it's up to us to show God's love by caring for and healing them."

With that, Jesus cured the man of his blindness. The man believed that Jesus was God's promised messiah, and followed Jesus after that.

Some people didn't want to believe that Jesus was God's promised one. Jesus said to his friends, "There are other kinds of blindness. Some people just do not want to see the truth about me."

### Caring

Feeling what it would be like for another person, then doing something to help.

# Fun Stuff

Using the braille alphabet, write your first and last name in the spaces to the right. An example is printed below.

The Braille Alphabet												
a	b	c	d	e	f	g	h	i	j	k	l	m
⠁	⠃	⠉	⠙	⠑	⠋	⠗	⠎	⠊	⠚	⠅	⠇	⠓
n	o	p	q	r	s	t	u	v	w	x	y	z
⠝	⠕	⠖	⠖	⠗	⠎	⠗	⠘	⠘	⠙	⠙	⠙	⠙

Fill in the circles to make the letters!

⠁	⠃	⠉	⠙	⠑	⠋	⠗	⠎	⠊	⠚	⠅	⠇	⠓
---	---	---	---	---	---	---	---	---	---	---	---	---

This one spells "CAT."

---

⠁	⠃	⠉	⠙	⠑	⠋	⠗	⠎	⠊	⠚	⠅	⠇	⠓
---	---	---	---	---	---	---	---	---	---	---	---	---

If you need more slots, go ahead and draw them in the space to the right.

## Try it At Home

Blind people can read too! "Braille" is a touch-based system of placing words on paper. People feel the bumps on the paper to make out the words. Ask a trusted adult if you can go to your community's public library – they will have copies of braille books for you to touch.
