### Did'ja Know?!

When a person gets angry, blood flushes to their face. Then the face actually gets a teensy bit warmer!

Color the cross below, and remind yourself how much God loves you.

It's easy today to think that the cross is "beautiful."

In a way, it is; God healed us with it. But we should never forget that it was a kind of punishment!

JESUS Condemned

## John 19

Pilate couldn't figure out what to do with Jesus. "He hasn't broken any Roman laws," he said.

One of the Jewish leaders said, "He broke Jewish law. He says he's God's son."

Pilate frowned. "That's not so bad. I think I should let him go."

"No!" cried another. "He says he's a king. If you let him go, your own king will be very angry!"

Then Pilate took Jesus out in front of a great crowd, thinking they might defend him. "What do you want me to do with your king?" he asked.

"He's no king of ours!" the people shouted. "Kill him! Crucify him!"

Pilate gave up. "Fine," he said. "Whatever you want." And he turned Jesus over to be killed.

### Crucify

## TICTACTOE

In Rome, crucifixion was a common form of capital punishment (putting someone to death for the crimes they did).

Count how many crosses you can see in church. Next, when you get home, count how many crosses you can find. Some might be jewelry that you or your family wears.
