

Did'ja Know?

Worldwide every year, over a 100,000 people become blind. What would you do if you were suddenly struck with blindness? How would you act? Do you think you could adapt if it were permanent?

Paul's Conversion

Acts 9

Saul hated Jesus' followers. He would arrest and even kill them! Oh no!

One day, Saul was traveling down the road when a bright light blinded him. A booming voice filled the air. "Saul! Why do you do such terrible things to me?"

"Who are you?"

"I am Jesus. Go to the city. I have a job for you."

When the light and sound faded, Saul was still blind. His friends helped him get to the city where Ananias, one of Jesus' followers, visited him.

"I don't get it," Ananias said. "You've been terrible to my people. But Jesus says he's chosen you to tell others about him."

Ananias prayed for Saul and suddenly Saul could see again. From that day on, Saul changed completely. He loved Jesus and shared the good news all over the world!
